

## APPLICATION FOR TRANSFER CREDIT

Credit may be granted towards an NVIT credential for course work completed at another post-secondary institution. Transfer credit agreements registered with the BC Council of Admissions and Transfer (BCCAT) will be granted without assessment of approved course outlines from the sending institutions. Transfer credit applied for from institutions without standing transfer agreements for the specific course credit may be granted after the individual course outlines have been assessed.

Residency Requirements: To fulfill residency requirements a minimum of 50% of the credits required for a NVIT credential must be completed at NVIT. As well, students wishing to complete a second credential must complete additional courses equal to at least 50% of the total number of credits required for each additional credential.
