NSYL 111: Nsyilxcen Pronunciation – Root Sounds
- Remove UT elective from the diploma completion plan

Moved by Bev Currie-Mclean, 2nd by Sue Sterling-Bur

CARRIED

Discussion: The above listed courses required minor amendments to ensure students who completed the former courses were awarded equivalencies toward completion of their certificate and diploma. The UT elective is not the responsibility of NVIT, rather, it will be delivered by the degree granting institution. NSYL 330 required an increase in credits and hours as it is previously NYSL 360, which was 6 credits and 90 hours.
