

Black Feather Fund Entrance Scholarship 2025 Application

Purpose of Award:

The Vancouver Foundation aims to build healthy, vibrant, and livable communities across British Columbia. Vancouver Foundation accomplishes their work by harnessing the gifts of energy, ideas, time, and money of caring residents to make meaningful and lasting impacts. They are Canada's largest community foundation, have been investing in communities since 1943, and holds more than 1,600 endowment funds, including the Black Feather Fund.

The Black Feather Fund was established in recognition of the struggles thousands of young Indigenous people in British Columbia have gone through in the last century. The founders wish to make a small contribution to the journey Indigenous people of a new generation are committed to undertaking. The founders are humbled by the challenges ahead for this new generation, but are confident education is an important element in that renaissance. It is true, every journey begins with a single step; the Black Feather fund is intended to provide financial assistance to those setting out in pursuit of their educational dreams.
